MANAGEMENT INFORMATION CIRCULAR

This Management Information Circular dated May 25, 2018 (this "**Circular**") is provided in connection with the solicitation of proxies by the management ("**Management**") of Barkerville Gold Mines Ltd. (the "**Company**") for use at the annual and special meeting (the "**Meeting**") of the shareholders (the "**Shareholders**") of common shares of the Company ("**Common Shares**"), to be held at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the "**Notice**"). The board of directors of the Company (the "**Board**") have fixed the close of business on May 25, 2018 as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Company's proxy solicitation materials (the "**Meeting Materials**") to the beneficial owners of the Common Shares held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the Shareholders of the Company in favour of the matters set forth in the Notice of Meeting.

If you are not able to attend the Meeting, please exercise your right to vote by completing the form of proxy or voting instruction form and, in the case of registered Shareholders depositing the enclosed form of proxy or voting instruction form at the offices of the Company's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), at:

Computershare Investor Services Inc.
Proxy Department
8th Floor, 100 University Avenue
Toronto, Ontario, M5J 2Y1

at least 48 hours, excluding Saturdays, Sundays and holidays, before the Meeting or any adjournment or postponement thereof.

If you are a non-registered Shareholder reference is made to the section below entitled "*Voting by Non-Registered Shareholders*".

Unless otherwise indicated, all references in this Circular to "\$" refer to Canadian dollars.

GENERAL INFORMATION RESPECTING THE MEETING

Voting of Proxies

The Common Shares represented by the accompanying form of proxy (if same is properly executed and is received at the offices of Computershare at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. **In the absence of such specification, proxies in favour of Management will be voted in favour of all resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Circular, Management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to Management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare, at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (a) completing and signing a proxy bearing a later date and depositing it at the offices of Computershare at Computershare Investor Services Inc., Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or by a duly authorized officer or attorney either with Computershare at Computershare Investor Services Inc., Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (c) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as the CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company will have distributed copies of the Notice, this Circular, the form of proxy and a request card for interim and annual materials to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Additionally, the Company may utilize Broadridge's QuickVote™ service to assist Shareholders with voting their shares. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the Common Shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare at Computershare Investor Services Inc., Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the voting instruction form or form of proxy, as applicable, and insert the Non-Registered Shareholder's or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form by following the instructions of their Intermediary as instructions and timing may vary with each Intermediary.

There are two types of Non-Registered Shareholders. Non-Registered Shareholders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "NOBOs" or "Non-Objecting Beneficial Owners". Non-Registered Shareholders who have objected to their Intermediary disclosing the ownership information about themselves to the Company are referred to as "OBOs" or "Objecting Beneficial Owners". In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), the Company has elected to send the Meeting Materials to the NOBOs utilizing the services of Broadridge. Management of the Company does intend to pay for Intermediaries to forward to OBOs under NI 54-101 the proxy related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*.

The Company is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related material in connection with the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED ON

No director or executive officer of the Company who was a director or executive officer at any time since the beginning of the Company's last financial year, or any associate or affiliates of any such directors or officers, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

The term of office of each director will be from the date of the meeting at which he or she is elected until the next annual meeting, or until his or her successor is elected or appointed.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF THE ABOVE-NAMED NOMINEES, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Management has no reason to believe that any of the nominees will be unable to serve as a director but, **IF A NOMINEE IS FOR ANY REASON UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL**

BE VOTED IN FAVOUR OF THE REMAINING NOMINEES AND MAY BE VOTED FOR A SUBSTITUTE NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF DIRECTORS.

Appointment of Auditors

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. PricewaterhouseCoopers LLP were first appointed as the Company's auditors on November 17, 2017.

Approval of Stock Option Plan

The Company has adopted a stock option plan (the "**Stock Option Plan**") for senior officers, directors, employees and consultants of the Company. The Stock Option Plan provides for the issuance of stock options to acquire up to 10% of the Company's issued and outstanding capital as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling plan" as the number of shares reserved for issuance pursuant to the grant of stock options will increase as the Company's issued and outstanding share capital increases. At no time will more than 10% of the outstanding shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares of the Company in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below (see "*Executive Compensation – Long Term Compensation – Options*").

As the Stock Option Plan is a "rolling" stock option plan and under Policy 4.4 of the TSX Venture Exchange ("**TSXV**"), a listed company on the TSXV is required to obtain the approval of its Shareholders for a "rolling" stock option plan at each annual meeting of Shareholders. Accordingly, Shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT:

1. the Stock Option Plan of the Company as described in the Management Information Circular dated May 25, 2018, be and it is hereby approved."

In accordance with the policies of the TSXV, the Stock Option Plan must be approved by the majority of votes cast at the Meeting on the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST SUCH APPROVAL.

OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

The Management knows of no matters to come before the Meeting other than as set forth in the Notice. However, if other matters which are not known to the Management should properly come before the Meeting, the accompanying proxy will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of Board, the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting.

EXECUTIVE COMPENSATION

Under applicable securities legislation, the Company is required to disclose certain financial and other information relating to the compensation of its President and Chief Executive Officer, Chief Financial Officer and all of the other most highly compensated executive officers of the Company who meet the applicable disclosure threshold (collectively, the "**Named Executive Officers**"). A summary of salary and other annual compensation earned by the Named Executive Officers for the most recently completed financial year ended December 31, 2017, is set out in the "**Summary Compensation Table**". Other than the President and Chief Executive Officer being Chris Lodder, the Chief Financial Officer being Andres Tinajero, the former Vice-President of Exploration being Paul Geddes, the Vice-President Environment and Sustainability being Chris Pharness and the Vice-President of Operations, being David Rouleau, there are no other executive officers, or individuals acting in similar capacity of the Company that would otherwise qualify for inclusion in the discussions below.

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the Shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and Shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of Shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles one (1) through four (4).

Compensation Discussion and Analysis

The Board is responsible for the Company's compensation policies and practices and has delegated certain of those responsibilities to its Compensation, Nominating and Corporate Governance Committee (the "**Nomination and Compensation Committee**"). The Nomination and Compensation Committee has the responsibility to review and make recommendations to the Board concerning the compensation of the directors and the Named Executive Officers, including the President and Chief Executive Officer, within the constraints of the agreement described under "**Employment and Consulting Agreements**". The Nomination and Compensation Committee also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan and the Restricted Share Unit Plan (the "**RSU Plan**"). The Nomination and Compensation Committee also takes on the role of reviewing and approving the hiring of executive officers.

As of the date of this Circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding compensation of its directors or executive officers.

The Company does not prohibit its Named Executive Officers or directors from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or Common Shares of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officers or directors.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on an assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company, in its discretion, may award cash bonuses in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

Options

The grant of options to acquire Common Shares ("**Options**") pursuant to the Company's Stock Option Plan is an integral component of the compensation arrangements of the senior officers of the Company. The Board believes that the grant of Options to senior officers and Common Share ownership by such officers serves to motivate them to strive towards achievement of the Company's long-term strategic objectives, which will benefit Shareholders. Options are awarded by the Board to directors, officers, employees and consultants of the Company, on the basis of the recommendation of the Nomination and Compensation Committee. Decisions with respect to Options granted are based on the individual's level of responsibility and their contribution towards the Company's goals and objectives, and additionally may be awarded in recognition of the achievement of a particular goal or extraordinary service. The Board considers, among other things, previous grants and the overall number of Options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of Options and the size of such grants. The Board generally grants Options to officers, employees and consultants that vest immediately. An annual Option grant program for the Board was implemented by the Board on July 15, 2015.

Under the Stock Option Plan, Options may only be granted to directors, officers, employees and consultants of the Company and its subsidiaries and other designated persons as designated from time to time by the Board. The number of Common Shares which may be reserved for issuance under the Stock Option Plan is limited to 43,980,399 Common Shares being 10% of the issued and outstanding Common Shares as of the date of this Circular. Any Common Shares subject to an Option which, for any reason, is cancelled or terminated prior to exercise will be available for a subsequent grant under the Stock Option Plan. The option price of any Common Shares cannot be less than the market price of the Common Shares. Options granted under the Stock Option Plan may be exercised during a period not exceeding five years,

subject to earlier termination upon the termination of the optionee's employment, upon the optionee ceasing to be an employee, officer, director or consultant of the Company or any of its subsidiaries or ceasing to have a designated relationship with the Company, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. The Options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Company's capitalization. Subject to Shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Company in respect of options granted under the Stock Option Plan.

- (b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

No proposed director, within ten years before the date of this Circular, has been a director or executive officer of any company that, while the proposed director was acting in that capacity, or within a year of the proposed director ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

The class action lawsuit alleged that the Company published core and non-core documents and made other statements that misrepresented the quantity and quality of the mineralized ore and the corresponding amount of gold contained within the Company's Cariboo Gold project. The settlement agreement entered into between the Company and the plaintiffs provides for the payment of an aggregate settlement amount of \$250,000 and contained no admission of liability or wrongdoing. The payment made was fully funded by insurance coverage maintained by the Company.

REPORT ON GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented to address the foregoing requirements.

Board of Directors

The Board is currently composed of nine (9) directors. National Policy 58-201 – *Corporate Governance Guidelines* suggests that the Board of every listed company should be constituted with a majority of individuals who qualify as "independent" directors under Multilateral Instrument 52-110 ("**MI 52-110**"), which provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. Of the directors nominated at the Meeting, Thomas Obradovich, who serves as a consultant for the Company and Chris Lodder, President and Chief Executive Officer are each "inside" or management directors and accordingly are considered not "independent". The remaining seven (7) directors are considered by the Board to be "independent", within the meaning of MI 52-110.

Directorships

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Thomas Obradovich	Dalradian Resources Inc., Sable Resources Ltd.
Anthony Makuch	Kirkland Lake Gold Ltd, Cordoba Minerals Corp., Pembroke Mining Corp., Lake Shore Gold Corp., Mega Precious Metals Inc., Newmarket Gold Inc., and Premier Gold Mines Limited
Morris Prychidny	Nighthawk Gold Corp., Northfield Capital Corporation, Corporate Catalyst Acquisition Inc., Fountain Asset Corp.
Sean Roosen	Osisko Gold Royalties Ltd., Osisko Mining Inc., Falco Resources Ltd., Dalradian Resources Inc., Condor Petroleum Inc., ValGold Resources Ltd.

John F. Burzynski	Osisko Gold Royalties Ltd, Osisko Mining Inc., Osisko Metals Inc., Brett Resources Inc. StrongBow Exploration Inc.
Andree St-Germain	IDM Mining Ltd.

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and the Corporate Secretary briefs them on the responsibilities of directors and the Company's governance policies and procedures. As part of the orientation new directors meet with senior management to discuss the business of the Company and receive historical and current operating and financial information and may tour offices and locations of the Company.

Board meetings may also include presentations by the Company's Management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has adopted a formal Code of Business Conduct and Ethics (the "**Code**") for its directors, officers, consultants and employees. All directors, officers, consultants and employees receive a copy of the Code and are expected to be familiar with it and to follow it. Those who observe non-compliance with the Code can report the non-compliance directly to the Board, the Audit Committee Chair or the Company Ethics Officer, as appropriate under the circumstances.

Directors are always reminded of their obligation to report conflicts of interest. Once a director has declared an interest in a material matter before the Board, he or she is expected to recuse themselves from any discussions on the matter and not vote on any resolutions concerning the matter.

The Board encourages and supports a corporate culture that encompasses the principals of ethical business conduct by adhering to and promoting compliance with applicable laws, rules and regulations that pertain to the jurisdictions in which the Company operates, providing guidance on ethical issues as needed and promoting a culture of honesty and accountability for all members of the team. Directors, officers, consultants and employees may face disciplinary consequences under the Code for failure to conduct business in an ethical manner.

Nomination of Directors

As approved at the Annual and Special Meeting of the Shareholders held on June 9, 2017, the Company has a combined Nomination and Compensation Committee which is responsible for identifying and recommending to the Board the individuals qualified to be nominated for election to the Board. In making its recommendations, the Nomination and Compensation Committee considers a number of factors including applicable rules on independence, the candidate's current relationships with competitors of the Company, the obligations and time commitments required of the candidates and any conflicts of interest.

The Board as a whole is responsible for considering the Board's size and the number of directors to be recommend to the Company's Shareholders for election at annual meetings of Shareholders. To do so the Board considers factors such as the number of directors that may be required to carry out the Board's duties effectively, the need to maintain a majority of independent directors and the goal of fostering a diversity of views and experience within the members of the Board.

The current members of the Nomination and Compensation Committee are Tom Obradovich (Chair) and Anthony Makuch and Morris Prychidny. Both of Anthony Makuch and Morris Prychidny are independent.

Compensation

The Nomination and Compensation Committee is responsible for the development and supervision of the Company's approach to compensation for directors, officers and senior management as well as bonuses and any increases in compensation to employees or staff that would have a material impact on the Company's expenses. The Nomination and Compensation Committee is also responsible for providing oversight, input and feedback on the Company's human resources policies and procedures.

The Nomination and Compensation Committee is also responsible for reviewing on an annual basis, the corporate goals and objectives relevant to executive compensation, evaluating each executive officer's performance in light of those goals and objectives and setting the executive officer's compensation level based, in part, on this evaluation. In making its recommendations, the Nomination and Compensation Committee also takes into consideration the Company's overall performance, Shareholder returns, the value of similar incentive awards to executive officers at comparable companies and the awards given to executive officers in past years.

The Nomination and Compensation Committee also supervises the appointment and removal of executive officers, reviews and approves any employment, severance or change in control agreements for executive officers, makes recommendations to the Board on the Company's human resource policies and procedures for employees, establishes pay ranges and other compensation criteria and approves any loans to employees, as allowed by law.

The members of the Nomination and Compensation Committee all have extensive and unique experience to bring to their role on the committee. The HSEC has overall responsibility for developing and monitoring standards for ensuring a safe, healthy work environment, environmentally safe work practices and sustainable development, and appropriate community relations. The role of the Technical Advisory Committee is to advise the CEO with respect to overseeing capital projects from a technical, financial and scheduling perspective, with the intent of providing advisory support, guidance and assistance to Management in respect of construction, commissioning and operation of the Company's mines, and assisting the Board in providing oversight.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and Management and the strategic direction and processes of the Board and committees. It does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but is in the planning stages of implementing such assessments. Until then, the Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an *ad hoc* basis.
